

Lighthorne PC Meeting – 11th June 2024

Annual Council

The Annual Council meeting took place on Wednesday 22 May and as the new shadow portfolio holder for Planning and Economic Development, this will be useful to maintain close contact with the planning and enforcement teams. I have also been appointed to the South Warwickshire Local Plan Joint Committee, so will be in a better position to keep parishes and residents updated on the progress being made.

Importance of responsible Dog Ownership

Reports of livestock worrying sadly increase at this time of year, including deaths and injury due to attacks by dogs on all kinds of animals, especially sheep.

To help with this initiative, the District Council's team is building on their work around livestock worrying as they continue to raise awareness of the importance of responsible dog ownership across South Warwickshire.

This work involves visiting rural areas where dog attacks on livestock have already been reported, to discuss safe dog walking with members of the public and provide the National Sheep Association's [Enjoy your dog walks](#) information leaflet.

Under the Dogs (Protection of Livestock) Act 1953, it is a criminal offence for a dog to actively worry livestock and dog owners risk prosecution.

Whilst the majority of dog owners do walk their dogs in a responsible manner, unfortunately there are a small minority whose recklessness puts the welfare of other animals at risk.

The initiative is being promoted by Warwickshire Police who are working with other forces around the country and other partner agencies, such as the National Farmers' Union (NFU), Country Land and Business Association (CLA), National Sheep Association and the RSPCA.
